Hi Lisa,

I have included the Command Staff at our Hollywood Parking Enforcement Office. I do not know if they have received any formal notification that these signs are in the process of being removed.

Best,

Subject: Hollywood Media District Requests Status on Removal of No Parking AnyTime on Romaine from Seward to mid block (fire hydrant)

Dear Christopher:

It has come to my attention that we are still awaiting for the "No Parking Anytime" signage to be removed from the north side of Romaine Street (between Seward and Las Palmas). Recently the LADOT Parking Enforcement has been citing constituents that park on the north side of Romaine which has conflicting sign postings - for example NO PARKING and No Parking Tuesdays from 8-12. There are only two (2) no parking signs installed along the north side of the street several feet in-between with no additional signage. In fact this week alone, LADOT Parking Enforcement towed vehicles from the street and of course cited them as well. HELP.... Stakeholders are asking why??? Let me know as these signs where to be removed when the construction of 959 Seward was completed (back in 2015).

Thank you
